

Program Requirements | Weight (Health Coaching)

The Healthy Choice program is a voluntary premium discount program from the Employee Health Plan (EHP) that rewards you for taking action to manage your health. The program provides resources to help you save on your premium and support your overall well-being. When you participate and meet the program requirements, you'll be eligible to earn up to a 30% discount off next year's premium.

If you have a spouse on the health plan, they can also participate, and together you can achieve the best discount.
