

My Personal Program Requirements

Your Health Status is: **UNKNOWN**

What does it mean if your health status says “Unknown”?

You will not receive a discount in 2023 if your Health Status remains “Unknown.”

Your health status is unknown because the health plan doesn't have enough information to determine your health status. Ask your provider to complete and sign a Health

Visit Form and submit it as soon as possible so we can assign your health status.

You must submit a Health Visit form as soon as possible and then meet the goals that are set for your specific health status.

What should I do?

Follow these steps to learn your health status and get started:

- ❑ Ask your primary care provider to submit a completed Health Visit form as soon as possible. The health visit form is attached below so you can print it quickly, if needed.
- ❑ View your updated health status and Personal Program Requirements in your portal. More details will be provided on your portal, after your health status is updated.
- ❑ Start participating as soon as possible but no later than Mar. 31, 2022 to be eligible for full credit in 2023. You'll need to actively participate for at least six months and meet all the goals that are set for you by Sept. 30, 2022.

If your health status says HEALTHY:

You'll need to track your physical activity with an approved activity device that is linked to your portal account. Your goal is to reach 180,000 steps or 900 minutes of physical activity each month, for any six months from Jan. 1 through Sept. 30.

If your health status says CHRONIC CONDITION:

You'll need to join a Coordinated Care Program for each condition that's identified for you. Some members in the weight management and/or hyperlipidemia program will need to participate in an eCoaching program.

NOTE: If you are unable to schedule an appointment with your PCP before Mar. 31, contact the EHP to discuss your options for getting started, such as:

Getting Started with a Chronic Condition: Do you have one of the six chronic conditions that Healthy Choice focuses on, but your Health Visit form hasn't been completed yet? Call 216.986.1050, option 2, to find out if you can enroll in the programs that apply to you.

Getting Started with an Activity Device: If you do not have one of the six chronic conditions, you can start participating with an activity device, but your participation will not count until we determine if you have the Chronic or Healthy status.

Questions? Call **216.986.1050** (option 3) or toll-free at **1.888.246.6648** (option 3).

Under HIPAA, EHP like other health insurers, is permitted to access health data for the purposes of claims payment, health program development and treatment coverage. As with any of our healthcare plans and programs, plan member privacy is protected in full compliance with HIPAA.

For more details about our privacy policies, visit: <https://employeehealthplan.clevelandclinic.org/Privacy-Policy.aspx>

EHP is committed to helping you achieve your best health. Rewards for participating in the Healthy Choice Premium Discount Program are available to all caregivers and spouses on the health plan. If you think you might be unable to meet a standard for a reward, you might qualify for an opportunity to earn the same reward by a different means. Contact us at **216.986.1050** option 3.
